**Report on the Session on
“Systematic Literature Review”
“सिस्टेमैटिक लिटरेचर रिव्यू”
विषयक पर रिपोर्ट**

The Central Library, MANIT Bhopal organized a session on **“Systematic Literature Review”** on **20th May 2026** from **3:00 PM to 4:00 PM** through **online mode** in collaboration with Sage Publications. The session was conducted with the objective of enhancing research skills and creating awareness about systematic literature review methods among faculty members, research scholars, and students. The session was attended by 96 Ph D Scholars and faculty of the Institute.

Dr. Susmita Mitra, Professor, Council for Social Development and Former Book Review Editor, *Social Change*, explained the concept and importance of systematic literature review in academic research. She elaborated on various stages involved in conducting an effective literature review, including identification of research problems, searching relevant scholarly resources, screening and selection of literature, analysis of research gaps, and proper documentation of findings. She also highlighted best practices for maintaining research quality, transparency, and academic integrity during the review process.

The session was highly informative and interactive, where participants actively engaged in discussions and clarified their queries related to research methodology and literature review practices. The session proved highly beneficial for participants in strengthening their research and academic writing skills.

Dr. Venkata Rao Pokuri, Librarian & Head, Central Library, expressed sincere gratitude to **Dr. Susmita Mitra** for delivering an insightful and informative session. He also thanked Sage Publications for their cooperation in organising this session and all participants for their active participation in making the session fruitful.

The screenshot shows a Zoom meeting interface. At the top, there is a toolbar with icons for Chat, People (96), Raise, React, View, More, Camera, Mic, Share, and Leave. Below the toolbar is a gallery of participant video thumbnails. The main area displays a presentation slide titled "Step 2: Efficient and Critical Reading". The slide content includes the text "Techniques for efficient reading: SQRRR" and a bulleted list: "S: Survey the text fast to get the gist", "Q: While surveying, think about the questions relevant to your research that this article can answer", and "R: Read those parts slowly/ in details relevant to your research". On the right side of the interface, there is a list of participants in the meeting, including shruti patel, Shubhangi Thakre, SN Sharma, Sonal, Sonam, sonu, sourabh, SUDHEER SINGH, SUKANTI BEHERA, Sunil Malviya, UPENDRA AHIRWAR, v, Vikash Yadav, and virender kumar ahirwar. Each participant has a small icon indicating their status (e.g., muted, video on).
