Report on "Turnitin Clarity Session"

"टर्निटिन क्लैरिटी सेशन" पर रिपोर्ट

The Central Library, MANIT Bhopal organized an interactive session on "Turnitin Clarity" on 5 November 2026 at 3:00 PM onwards at the MME Auditorium, which was attended by 45 students, research scholars and faculty members from different departments of the institute attended the session. The session aimed at familiarizing participants with Turnitin Clarity and its role in promoting the responsible use of Artificial Intelligence (AI) in academic writing.

Dr. Venkata Rao Pokuri, Librarian, warmly welcomed all the attendees and resource persons from Turnitin. He highlighted the importance of academic integrity and the need to understand the appropriate use of AI tools in academic and research work.

Mr. Gautam Rawal, a resource person from Turnitin, explained the various modules and features of Turnitin in detail through practical demonstrations. He covered the use of the Instructor Account, checking similarity reports and AI writing indicators, managing submitted papers, and the procedure for removing checked papers. He also explained the dos and don'ts of using the Turnitin account and highlighted how Turnitin Clarity provides a secure writing environment, AI assistance with educator-defined guidelines, and visibility into the writing process. The session was highly interactive, with Mr. Raval addressing queries raised by research scholars, and faculty members. He also attended to participants' questions individually, understood their specific concerns, and provided relevant explanations and solutions. This one-to-one interaction helped participants resolve their doubts and gain a clearer understanding of the platform and its effective use.

Mr. Pankaj Kumar Sharma, Deputy Librarian, presented a memento as a token of appreciation to Ms. Sonali Singh from Turnitin for her support. While, Mr. Wasim Rahaman, Assistant Librarian, presented a memento as

token of appreciation to Mr. Gautam Rawal, the resource person, for his demonstrations, and interactive guidance throughout the session.

The session was informative and beneficial for the participants, providing them with a better understanding of Turnitin Clarity, its features, and the importance of maintaining academic integrity while using AI tools in academic writing.
