From the Editors...

Welcome to the first edition of our MANIT Bhopal Library Bulletin!

As the heart of learning and knowledge, Central Library, MANIT Bhopal has always been a space where ideas flourish, and curiosity knows no bounds. With this new initiative, we aim to further enrich our community by offering a platform to share updates, insights, and happenings that celebrate the spirit of reading and learning.

This bulletin will be a bi-monthly guide to the exciting events, new acquisitions, and noteworthy resources available to all our library members. We will also spotlight special programmes, workshops, research and projects that empower students, researchers and faculty members to engage more deeply with learning, teaching and research.

We invite you to join us in this new chapter of our Central Library's journey. We welcome your feedback, suggestions, and contributions to make this bulletin a true reflection of the diverse interests of our community. Together, let's continue to inspire a love of learning, reading, and growth and we look forward to engaging with you through every edition!

Happy reading!

Dr. Venkata Rao Pokuri, Librarian and Editor

Mr. Pankaj Kumar Sharma, Deputy Librarian and Associate Editor

Mr. Wasim Rahaman, Assistant Librarian and Associate Editor

About the Central Library, MANIT Bhopal

Maulana Azad National Institute of Technology Bhopal, a premier institute of national importance, serves as a vital hub for academic and research activities, with an extensive collection of print and digital resources. The Central Library supports the multidisciplinary learning needs of the students, faculty members, and researchers, equipped with automated facilities, including a digital repository, e-learning platforms, and dedicated study zones. The library fosters an environment conducive to knowledge acquisition and innovation. The Central Library is committed to providing seamless access to the reservoir of resources that aligns with the

institute's vision of excellence in education, research, and technological advancement.

The Central Library functions through its sections such as Acquisition & Technical Processing, Circulation, Digital Resources and Services, Research Support and Library Administration. Each Section is headed by a senior library professional with years of experience.

The Central Library's collection consists of print and digital resources predominantly in engineering and technology along with science, management and humanities, etc.

Conclave of Librarians and Publishers

A two-day "Conclave of Librarians and Publishers" organised on 20-21 January 2025 at NIT Warangal. The Conclave provided an opportunity for the Librarians of NITs to address common challenges faced on the new introduction of ONOS (One Nation One Subscription) rolled out by the Ministry of Education, Government of India and facilitated by the Information and Library Network (INFLIBNET) Centre, Gandhinagar, effective from 1st January 2025. The Conclave was attended by 19 library professionals of NITs across the country and was inaugurated by Professor Bidyadhar Subudhi, Director, NIT Warangal. During the two-day event, the Librarians of various NITs discussed with publishers the databases which are not part of ONOS, as it covered only 30 publishers and include only journals and the ways and means to subscribe to the databases that are not part of the ONOS. The leading publishers made presentations on e-collection development models and new products of knowledge resources along with Library Technology platforms. A representation was submitted to Professor Bidyadhar Subudhi, Director, NIT Warangal for initiating NIT Consortium to negotiate with the publishers to subscribe to the databases and left out journals from ONOS.

About ONOS

The Prime Minister of India in his address to the Nation from the ramparts of the Red Fort on 15th August, 2022, had pointed out the importance of Research and Development in our country in the *Amrit Kaal*. He had given the clarion call of “**Jai Anusandhan**” on the occasion. The National Education Policy, 2020 (NEP 2020) has also identified research as a corequisite for outstanding education and development in our country. In response to the vision of making India *Atmanirbhar* and *Viksitbharat@2047*, the Government of India approved One Nation One Subscription scheme to provide country-wide access to international high impact scholarly research articles and journal publications to students, faculty and researchers of all Higher Education Institutions managed by the central government and state governments and Research & Development Institutions of the central government.
