Report on the Inauguration of “Digital Signage Systems”

The Central Library, MANIT Bhopal organized a programme on 23rd July 2026 at 11:00 AM for the inauguration of the newly introduced digital signage systems - Library Standee, Digital Information Kiosk, and Digital Display Board. The facilities were inaugurated by Dr. Karunesh Kumar Shukla, Director, MANIT Bhopal, in the presence Dr J L Bhagoria, Chairman, Library Advisory Committee, Dr Venkata Rao Pokuri, Librarian and library staff , Heads of Departments, faculty members, officers, and staff of the Institute.

Dr. Venkata Rao Pokuri, Librarian accompanied the Director on a tour of the Central Library and briefed him on the recent developments, modernization initiatives, digital services, and future for library development. The Director appreciated the remarkable transformation of the Central Library, suggested further improvements, and instructed the concerned departments to accord high priority to all works related to the library's development.

During the visit, the Director interacted with students and obtained their feedback regarding the library facilities and services. The students expressed their satisfaction with the improved infrastructure, digital facilities, and overall library environment.

Several Heads of Departments, faculty members, officers, and staff also visited the Central Library and appreciated the positive changes and modernization initiatives. Dr. Sarvesh Kumar Tiwari, Registrar, MANIT Bhopal, also toured the library and appreciated the systematic development and encouraged the library team to continue their excellent work.

Mr. Pankaj Kumar Sharma, Deputy Librarian, briefed the Heads of Departments and faculty members about the library's recent developments, digital initiatives, services, and future plans. Mr. Wasim Rahaman, Assistant Librarian, demonstrated the functioning of the newly inaugurated Library Standee, Digital Information Kiosk, and Digital Display Board, explaining their features and how they would enhance access to library information and improve user services.

The programme provided an opportunity for the faculty and students to explore and experience the continuous efforts of the Central Library team towards creating a modern, technology-enabled learning environment.

Dr. Venkata Rao Pokuri
