

# Signal Processing with Python

A practical approach

Online at: <https://doi.org/10.1088/978-0-7503-5929-0>

# List of contributors

**Mosabber Uddin Ahmed**

Department of Electrical and Electronic Engineering, University of Dhaka, Dhaka, Bangladesh

**Meena Anandan**

Indian Institute of Information Technology, Design and Manufacturing, Kancheepuram, India

**Varun Bajaj**

Maulana Azad National Institute of Technology Bhopal, India

**Zahra Ghanbari**

Biomedical Engineering Department, Amirkabir University of Technology, Tehran, Iran

**Aakash Kumar Jain**

Indian Institute of Information Technology, Design and Manufacturing, Kancheepuram, India

**K P Madhavan**

PDPM Indian Institute of Information Technology, Design and Manufacturing, Jabalpur, India

**Manas Kumar Mishra**

Indian Institute of Information Technology, Design and Manufacturing, Kancheepuram, India

**Ishrat Jahan Mohima**

Department of Information and Communication Technology, Bangladesh University of Professionals, Dhaka, Bangladesh

**Mohammad Hassan Moradi**

Biomedical Engineering Department, Amirkabir University of Technology, Tehran, Iran

**Poorya Moradi**

Department of Industrial Engineering, Engineering Faculty, Khatam University, Iran

**Rohini Palanisamy**

Indian Institute of Information Technology, Design and Manufacturing, Kancheepuram, India

**Nakul Pathak**

PDPM Indian Institute of Information Technology, Design and Manufacturing, Jabalpur, India

**K K Mujeeb Rahman**

Ajman University, United Arab Emirates

**Mozhdeh Saghalaini**

Biomedical Engineering Department, Amirkabir University of Technology,  
Tehran, Iran

**Deepika Sainani**

Banasthali Vidyapith, Rajasthan, India

**Urvashi Prakash Shukla**

Banasthali Vidyapith, Rajasthan, India

**Abhishek Kumar Singh**

Indian Institute of Information Technology, Design and Manufacturing,  
Kancheepuram, India

**Mahdi Taghaddossi**

Biomedical Engineering Department, Amirkabir University of Technology,  
Tehran, Iran

**Pandiyarasan Veluswamy**

Indian Institute of Information Technology, Design and Manufacturing,  
Kancheepuram, India
